*Main House Area- Color to be used on stucco, block, or siding exterior walls, including gable ends with painted siding*, and garage doors. This color may have a flat or satin finish. All other areas may be flat, satin or semi-gloss.

**Siding-If your project includes the installation of vinyl or other replacement siding, please understand that the color of the new siding is also subject to approval.
Please note that exterior colors which in the opinion of the ACC would be inharmonious or discordant to the appearance of The Plantation subdivision shall not be permitted.

**Bright colors, or gloss finishes will not be approved.**
